**Tasting notes:** The color is a dark hue of garnet and purple. The wine opens with a bouquet of vanilla, pie crust, tobacco and sweet jam. On the palate the wine shows strong red fruit flavors such as Bing cherry, plum, and blackberry. The wine is supported by silky tannins with a hint of licorice finish.

**Vintage:** 2009 started out cool and somewhat wet, but the warm weather came with a vengeance. The sustained heat gave the grapes thick skins with concentrated flavor and tannins. As always our cool nights helped retain a favorable acidity. The wines of 2009 contain bold concentrated fruit supported by dusty tannins and fresh acidity.

**Vineyards:** Grapes were hand-harvested and sorted.

- 24k Vineyard—Wahluke Slope
- Coyote Canyon—Horse Heaven Hills
