BARBERA

Tasting Notes: The color of the wine is a deep hue of ox blood, and has aromas of rose hips, coffee, mint leaf and cocoa. On the palate, the wine is filled with velvet fruit such as blackberry and cherry jam. The silky tannins support the wine with a finish of lingering pomegranate and plum medley. Enjoy with hearty dishes such as grilled meats, BBQ and tomato based pastas.

Vintage: 2009 started out cool and somewhat wet, but the warm weather came with a vengeance. The sustained heat gave the grapes thick skins with concentrated flavor and tannins. As always, our cool nights helped retain a favorable acidity. The wines of 2009 contain bold concentrated fruit supported by dusty tannins with fresh acidity.
