# 2011 Pinot Grigio

**Tasting Notes:** The color of the wine is a pale citrine yellow. It has aromas of fresh cut grass, spring flowers and citrus fruit. On the palate, the wine is dominated by more citrus flavors such as lemon drops, fresh pear and apple. The wine is nicely balanced with a creamy finish that lingers into more lemon and kiwi. Pairs well with seafood, whether raw, lightly sautéed, grilled or lightly sauced with cream or butter.

## Finished wine:

- 100% Pinot Grigio
- Fermented partially in French oak and in stainless steel

**Cases Produced:** 60 Cases

## Vineyards:

- Pontin del Roza- Yakima Valley
- Hand-harvested in late October

**Vintage:** 2011 was a long growing season which started out with warm temperatures early in the spring, followed by cooler weather that persisted for most of the summer. After veraison, a brief period of warm summer weather helped establish color and ripeness. Despite a cooler, wetter September, warm weather returned by mid fall to ripen the Pinot Grigio. The cooler year led to crisp acidity with balanced fruit flavors.
